KAVIYA D

Artificial intelligence and data scientist

Education

Artificial intelligence and data science Oct 2024 - Sep 2028
Rajalakshmi Institute of Technology, Chennai
- Learned to implement neural networks and deep learning frameworks for complex data analysis tasks.
- Developed proficiency in machine learning algorithms and their applications in predictive analytics.

Employment

Intern Sep 2025 - Sep 2028
Codegalatta, Chennai
- Participated in group projects analyzing datasets to extract meaningful insights.
- Collaborated with peers on simulations using Python to solve artificial intelligence problems.

Courses

Python,C,C++,Html,figma Sep 2024
- Utilized Python for developing algorithms that effectively processed large datasets in AI applications.
- Designed user interfaces in Figma for AI tools, improving user experience and functionality.
- Created interactive web applications using HTML to visualize data insights from analytics projects.

Internships

Frontend developer Dec 2024 - Feb 2025
Codebind technology, Chennai
- Implemented responsive web designs to display analytics dashboards effectively across various devices.

Chennai, May 9, 2025
